## Bank Offers Jobs to 100 Young Men In This District

Bank of America can give positions today to at least 100 young men, high school or college graduates and others in this section of the Southland, according to Dean L. Sears, manager of the bank's interests here. The increased volume of banking business due to industrial expansion in the national defense program, also the draft, are the reasons given for this additional employment.

"During the next 12 months, we will probably add upwards of 1,000 people to our staff in Southern California," said Sears. "Just at present, we can give permanent employment to 100 high school and college graduates and in addition, we can use a large number of young men with some clerical experience."

"Banking offers security in a lifetime career that has extraordinary opportunities for advancement. Bank of America has a staff of more than 9,700 men and women of whom more than 7,100 are officers, and promotions are continually taking place. The bank's program for employees includes a profit-sharing bonus plan, group life insurance, both girl and contributory, also sickness disability benefits, and hospitalization and surgical insurance. In addition the bank has a retirement plan to augment the income received under Federal Social Security.

"When I have an opportunity to talk with young men about banking," said Sears, "I try to get them to focus their eyes on the years ahead, instead of on a temporary job which at the time seems more attractive. We always will have banks, and the men who work in them will continue to hold high rank in the business world."

## Church to Launch Recreation Project

Beginning April 18, all young people of college age or above are invited to a weekly fellowship and fun fest to be held in the Guild Hall of the Central Evangelical church at 7 p. m. There will be ping pong, shuffleboard, box hockey and folk-games.

The project will be under competent direction, and has been carefully prepared, according to Rev. Wesley Roloff. Later it is hoped that leadership will be available in order that a high school night may be sponsored. The Guild Hall is located near the corner of Arlington and Mar-

## EASTERTIDE

By Mrs. F. T. PORTER  
The Eastertide draws near; when sun and moon contrive To dispatch special messages to everything alive. They marshal clouds to carry—and winds for them to ride—While showering fields and forests—and courting Eastertide.

So living germs will swiftly rise and lift their bloom; In fragrant answers to the sun—and banish gloom; While radiant Earth today is weaving on her loom—A glorious carpet—life emerging from a glory tomb.

Seeds lying dormant long—in hearts like yours and mine—Awake—and bring forth harvests—called by Love Divine. For He who died upon a cross; for you and me—Can reap a harvest from the barren hearts—that heed His plea.

## League Baseball Given 2 Weeks More to Finish

Marine League baseball and Tennyson's "The Brook" have something in common. Remember the great poet wrote "Men may come and men may go but I go on forever?" Well, that's the way of the Marine baseball season. Latest dope is that the much-delayed games on account of the rain will be played off in the two weeks following the present Easter vacation. If at the end of that period there are still some play-offs, it is quite likely that the sports arbiters will ask the competing teams to draw lots to decide the final standings.

**GAUCHOS BEAT TARTARS**  
Torrance will play Dorsey high for the title of Dorsey's invitational baseball tournament during that two-week period—if it doesn't rain!

With Nick Palica rapping out a triple and a double to lead in batting performances, the Narbonne high school baseball team won a 4 to 1 decision over Torrance in a postponed Marine League game last Friday at Narbonne. Each team made four hits. Score:

Torrance	.....100 000 0-1 4 4
Narbonne	.....100 201 4-4 4 3

## Indians Get New Players

The Torrance Indians lost eight ball players who went into pre-ball this week. They were Clint "Kaki" Conatser, who played centerfield for the local nine and last week hit two line homers over the center wall; Ambrose Palica, young pitcher who pitched a no-hit, no-run game against Marion Courts March 2; Alex Radoumis, another pitcher who was the star of Fremont high school about a year and a half ago; Gordon Evans, second sacker; Cliff Mapes, catcher; Karl Swing, pitcher, and Hugel Lapham, third sacker.

They are reporting to farm clubs of the Cleveland Indians of the American League. To fill the vacancies on the club, Johnny F. Angel, business manager, and Ray Brown, field manager, announce that a new youthful lineup will bolster the roster of the new Indians. As we now have it, this will include Ashby of Compton, Cuppell of Fremont, Hicks of Torrance high; Browne; Russian and Belton, both from Gardena high; Erino pitcher from Fremont; Williams from Narbonne and Palica, younger brother of Ambrose.

Sunday there will be a game with the Highland Park Merchants at 2:15 o'clock.
